In view of the unanimous opinion of the Dewan & Councillors I shall not oppose this grant. At the same time I consider it a most questionable proceeding to reopen a case disposed of by the Chief Commissioner 23 years ago with all the facts before him & I desire that the case may not be considered a precedent. Dewan of Mysore

Most Honored Sir,

I respectfully and humbly beg to inform your excellency that I was a Sheristedar in the late chief Commissioner's Treasury drawing a salary of Rs 100/- a month and served the Government for a period of 13 years.

In connection with the defalcation case of my father, I was deprived of Government Service. Although I had been put to hard trial and honorably acquitted in the highest court of the Province, yet through the prejudice of the late Comptroller, Mr. Hudson, I was recommended for dismissal by him and to please him the chief Commissioner sanctioned it. I beg to submit herewith a copy of the judgement in my

my case for your kind perusal.
I had to submit myself to the
orders of the Government. many
persons who were accused of various
charges and dismissed by the
Government are re-instated and a
were granted pensions so recently.

As the Late Dewan was not-
aware of my innocence and as
had no one to recommend me
Government about it. I had to
keep silent so long a time.

I now take the liberty of placing
my pitiable case at your honor
first and merciful hands for
kind consideration, soliciting I
may have a favorable order.

Sir,

With reference to your docket No.PA/1024 dated 22nd Instant, I have the honor to state that only 4 references are traceable in the Registers of this Office regarding the dismissal of Aswatha Row.

Of the 4, the first one No.2316 dated 13th August 18 which I believe relates to the subject, is simply registered with a number and without any purport being given, but a slip attached to the Register that it is with the Deputy Accountant General. The Chief Commissioners order thereon No.5032/997 dt 29th September 1879 is registered, but is not forthcoming in the records and it is believed that it was also probably k the Deputy Accountant General with his confidential report. other two references (Deputy Accountant Generals confedential No.3128 dated 2nd October 1879 and the Chief Commissioners M 5131/GL1013 dated 7th October 79) were now sent to Mr.Shama Row Assistant Secretary, on the 7th October 1901. The enclosures a herewith returned.

My dear Sir

In reply to your D.O. of 4 instant, I beg to state that I have been able to find out only the enclosed two ⊗ out of four references traceable in the Registers of this office in re the dismissal of Asvattha Rao —

Of the other two the Confidential letter of the Deputy Accountant General to the Chief Commissioner No 2316 dated

13 August 1879 which I believe relates to the subject is simply registered with a number and without any purport being given. A slip is attached to the Register stating that this is with the Deputy Accountant General. The Chief Commissioner's order thereon must also have been with the Deputy Accountant General & probably kept with his Confidential Report & not returned to records for filing.

Enquiry was made of all the old officials of this office as well as of the State Paymaster Secretary and the two papers cannot be traced.
